

**Save the Date**

9th Annual  
**Multi-stakeholder Partnership  
(MSP) Meeting of the  
Global Agenda for Sustainable  
Livestock (GASL)**

**9-12 September 2019**  
Kansas State University,  
Manhattan Kansas

The 2019 MSP theme **Innovation for Sustainable Livestock** examines four thematic areas:

- Food & nutrition security
- Livelihoods and economic growth
- Animal health and welfare
- Climate and natural resource use.

**The conference will run across  
4 full days:**

Monday 9th: **Science Day**

Tuesday 10th: **Policy Day**

Wednesday 11th: **Field Tours Day**

Thursday 12th: **Action Day**

**Over 350 guests are expected at this event.**

Company sponsorship and innovation display opportunities at a share-fair are available.
